Dear Chris,

Please keep to yourself that I've most of a Posner book done because I'm wearier and wantto avoid the endless calls and letters if word slips out. It will be published in April.

Failure Analysis failed to respond to my letter. When I learned yesterday that I am not alone in this I wrote them again but I think they are sticking with an unwise policy and will not respond.

I therefore need all the stories I can get about that ABA The Trial of Lee Harvey Oswald. I write to ask if you'll be kind enough to let me have what you might get from whatever retrieval system you have.

Of course any comments after Posner's book was out would be good to have.

Many thanks and best wishes,

Harold
